To ensure access as of April 11, 2022, your subscription must be completed or renewed and fee received no later than Monday April 4, 2022. Subscriptions are for the 12-month period from April 11, 2022 to March 31, 2023, and fees are not prorated. Data services begin at the time payment is received by the LCBO. An administration fee for subscription payments received after May 6, 2022 will be applied. This fee of \$50 CDN plus 10% of the option(s) selected, and will apply to all packages, including 'E'. The deadline to subscribe to any package for the 2022/23 year is Friday December 16, 2022.

Note regarding tax calculation on packages:

The on-line supply of data represents a supply of intangible personal property (IPP) for GST/HST purposes. Under the Canada Revenue Agency place of supply rules, the place of supply of IPP that has no geographical restriction on use is generally the address of the recipient of the supply. LCBO charges GST or HST on the online supplies at the appropriate rate depending on the address of the customer.

With respect to the administration fee charged to the customer if the subscription information is not received by LCBO within the time specified in the agreement, these charges will be treated as additional consideration for the online supply of data and therefore taxable, the same as the on-line supplies described above.
